

Burleson Independent School District

STEAM Middle School

2015-2016

Goal 1: We will design an engaging and challenging curriculum that develops each student's ability to read, write, think, and defend.

Performance Objective 1: We will increase 7th grade Reading STAAR Level II performance by 10% for all student groups, including an increase from 58% to 70% for the At-Risk student group, and an increase from 38%-65% for the LEP student group.

Performance Objective 2: We will increase 8th grade Reading STAAR Level II performance by 10% for all student groups, including an increase from 54% to 70% for the At-Risk student group, an increase from 29% to 65% for the LEP student group, and an increase from 50%-70% in the Special Education student group.

Performance Objective 3: We will increase Math STAAR Level II performance by 15% for all student groups, including the At-Risk and the Economically Disadvantaged student groups.

Performance Objective 4: We will increase Writing STAAR Level II performance by 20% for all student groups, including the At-Risk and Special Education student groups.

Goal 2: We will provide students with multiple avenues for specialized instruction and opportunities to advance at their own pace.

Performance Objective 1: We will provide integrated instruction in the areas of Science, Technology, Engineering, Arts, and Mathematics through Project-Based Learning (PBL).

Performance Objective 2: All teachers will incorporate STEAM concepts into instruction at least two times per week.

Goal 3: We will equip teachers with the resources, training, and time necessary to achieve our strategic objectives.

Performance Objective 1: 100% of teachers will participate in the development of campus collaborative teams to form a Professional Learning Community.

Performance Objective 2: 100% of teachers will participate in ongoing professional development in Project-Based Learning (PBL), technology integration and innovative instructional strategies.

Goal 4: We will establish a college-going culture on every BISS campus that intentionally prepares students for future endeavors.

Performance Objective 1: We will increase our students' exposure to post-secondary careers and college opportunities through elective courses, career cruising, and a college and career fair.

Goal 5: We will offer educational programs of choice that will nurture students' unique talents and promote global citizenship.

Performance Objective 1: We will promote global citizenship and innovation through academic extensions in Science, Technology, Engineering, Arts, and Mathematics by implementing two new campus programs.

Goal 6: We will employ effective and efficient processes systems for student safety, attendance, and discipline.

Performance Objective 1: We will promote a positive school culture to maintain high attendance rates, effective discipline practices, and student safety through the implementation of student TRUST cards and Positive Behavioral Interventions and Support (PBIS).
